vintage photographs, many never before
published.

"It is a breathtakingly beautiful album... It took three blood pressure pills to calm me down after I heard Old Aunt Betsy." — *Dr. Charles K. Wolfe, author: The Devil's Box, A Good Natured Riot*

"As hard as it must have been living in the near wilderness, the isolation didn't hurt the music. If you want to hear pure, unadulterated old-time fiddling, look no further. This recording offers a rare last listen to how music sounded before the age of mass media." — *Michael Simmons, Fiddler Magazine*
